Counter top display with free testers, 11 3/4" x 8" x 9"

award winner!

**SUNCOAT** girl

Safe, natural, peelable water-based nail polish for children ages 3 and up in 16 fun, vibrant colors. No remover needed. VOC-free. Tested for safety by a board-certified toxicologist.

## SUNCOAT natural nontoxic nail color

A REVOLUTIONARY BREAKTHROUGH IN NATURAL NAIL POLISH

The first authentically natural nail brand, our polishes and corn and soy removers are 100% free of formaldehyde, toluene, phthalates (DBP etc), acetone, acetates, synthetic colors, and VOCs. Featuring lines for adults and children, Suncoat is the most natural nail polish on the planet! Take a whiff, and you'll see for yourself.

## long-lasting water-based nail polish

Our 32 stylish shades are quick-drying and long-lasting, featuring natural colors and mineral pigments instead of synthetics. Releases water when applied, not chemical fumes. Free of formaldehyde, toluene, phthalates (DBP etc), acetone, acetates, alcohol, and FD&C colors. Your choice of four modular color displays: Best Seller Colors, Vegan Colors, Warm Colors, Cool and Neutral Colors.

## natural nail polish remover

Our nothing-but-natural nail polish remover is free of alcohol, acetone, acetate--all common ingredients in conventional removers. Ours is made with a safe but highly effective corn and soy oil base. Odorless, eco-friendly, nondrying, will not discolor the nails.

Available in 60 ml and 30ml sizes.

## french manicure kit

The healthy way to create the classic French manicure that everyone loves. The Kit contains pearl white and French pink polish, plus nail guides that offer step by step instructions. Long-lasting, quick-drying, gentle, and easy to apply.
